

Good morning Directors,

Please see attached correspondence from the Office of the Commissioner for Co-operative Development regarding the alleged suspension of the President.

The Commissioner has confirmed that, based on their review, there were significant procedural gaps in how the matter was handled and, as such, no Board member is recognized as being suspended at this time.

Given this position, the Special General Meeting scheduled for [July 25, 2025](#) is postponed until the necessary due process is properly followed in accordance with the Co-operative Societies Act and the Society's Bye-Laws.

Regards,

Patrice De Sormeaux | **Secretary, Board of Directors** |
