Dear Secretary,

RE: Alleged Suspension of the President.

We have become aware of an upcoming Special General Meeting of Works Credit Union, scheduled for Friday, July 25, 2025.

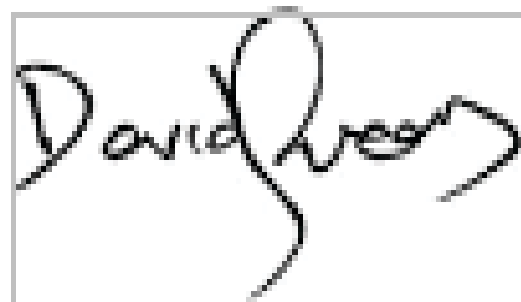

As part of our ongoing regulatory responsibilities, we met with members of the Supervisory Committee at our office on Wednesday, July 9, 2025. During that meeting, we addressed the process they undertook in relation to the attempted suspension of the President.

Following our review, we found that there were significant procedural gaps in how the matter was handled. Accordingly, the Office of the Commissioner does not recognize any Board member as being suspended at this time.

Please note that if the Supervisory Committee determines there are serious concerns or allegations that require further review, they may proceed with their investigation. We encourage that any such action be guided by the Co-operative Societies Act, the Society's registered Bye-Laws, and the principles of Natural Justice.

We trust this brings clarity on the matter. Please feel free to reach out should you require any further guidance

Co-operatively yours,
